EXAMINER'S AMENDMENT

The application has been amended as follows:

1. -An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney E. Alan Davis on August 7, 2006.

On line 7 of par. 287 on page 81 of the specification, insert the word "tangible" between "a" and "computer".

On line 16 of par. 287 on page 81 of the specification, insert the word "tangible" between "known" and "computer".

In claim 53, line 2 insert the word "tangible" before "computer-readable medium".

2. During the telephonic interview on August 7, 2006, Applicant's representative indicated that the remarks on page 9 of the amendment submitted July 19, 2006 incorrectly indicated that changes were made to the specification. No changes were intended to be submitted to the specification at that time. The only changes to be made to the specification are the ones above in the examiner's amendment.

Allowable Subject Matter

3. The examiner's amendment overcomes the prior rejection made under 35 USC 101 and puts claim 53 in condition for allowance. Claims 1-53 are allowed.
